Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Police Department Cruisers for Johnson City Police Department in fiscal year 2025. The entity to receive funding for this project is the Johnson City Police Department, located at 601 East Main Street, Johnson City, TN 37601. The funding would be used for acquiring marked and unmarked police cruisers for the Johnson City Police Department, as well as acquiring associated technology to outfit the vehicles. This project is an appropriate use of taxpayer funds because acquiring updated police cruisers will improve the public safety of Johnson City residents.

The project has a Federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Diana Harshbarger".
