The Honorable Rosa DeLauro
Chairman
Committee on Appropriations
US House of Representatives
Washington, DC 20515

The Honorable Kay Granger
Ranking Member
Committee on Appropriations
US House of Representatives
Washington, DC 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$1,500,000 in Member-directed Federal funding to reconstruct State Route 35 (SR-35) from North of Nolichucky River near Bright Hope Road to South of SR-349 near Pates Lane in FY 2023 Appropriations funding.

The project sponsor for this project is the Tennessee Department of Transportation and the project is located on (and is) SR-35 from the intersection of SR-35 and Bright Hope Road, Greeneville, TN 37743 to the intersection of SR-35 and Pates Lane, Greeneville, TN 37743.

The funding will construct a super 2-lane that includes turn lanes and truck climbing lanes on a 4-lane Right of Way, which benefits safety along the roadway. This further promotes motor safety by moving stopped or slower vehicles to a designated lane.

The project is an appropriate use of taxpayer dollars because it will improve safety for motorists.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Diana Harshbarger".
