Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$183,400 in funding for Cocke County for Caton Grove Road Resurfacing in Fiscal Year 2027. The entity to receive funding for this project is the Cocke County Government, located at 141 Western Plaza, Newport, TN 37821. The funding would be used to resurface 0.84 miles of Caton Grove Road from Caney Creek Road to Highway 32. Cocke County is a federally designated distressed County that experienced significant devastation of its public infrastructure following Hurricane Helene in 2024, including Caton Grove Road. Caton Grove Road serves a rural, residential community, but experiences a high volume of traffic due from rental cabins in the area. The project is an appropriate use of taxpayer funds because it will restore the structural integrity of the pavement, improve safety for residents, and ensure continued reliable access for both the surrounding community and tourists to the region.

The project has a federal nexus because the funding provided is for purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Diana Harshbarger".
