The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
US House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$750,000 in Member directed Transportation, Housing and Urban Development, Surface Transportation project funding in fiscal year 2024.

The entity to receive funding for this project is the City of Johnson City, located at 601 E. Main Street, Johnson City, TN 37601. Johnson City government has confirmed that they already have the requisite matching funds on hand for grant funding.

The funding would be used to upgrade the Traffic Signal at Bobby Hicks Highway (SR 75), widen to 3 lanes with turning lanes and to improve 2 lanes with turn lanes at Old Gray Station Road – Section 2.

The project is a good taxpayer funds because it allows an important thoroughfare to be more accessible with traffic patterns.

The project has a Federal nexus because the funding provided is for purposes authorized 23 USC 133(b) (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Diana Harshbarger".
