The Honorable Sam Graves  
Ranking Member  
Committee on Transportation & Infrastructure  
US House of Representatives

Dear Chairman DeFazio and Ranking Member Graves:

I am requesting \$242,000 in Member-directed Federal funding for State Route (SR-93) from Morgan Lane in Washington County, TN to South of Baileyton Road in Sullivan County, TN in surface transportation reauthorization legislation.

The project sponsor for this project is the Tennessee Department of Transportation and the project is located on (and is) SR-93 from the intersection of SR-93 and Morgan Lane, Fall Branch, TN 37656 in Washington County to South of Baileyton Road at the intersection of SR-93 and Baileyton Road, Kingsport, TN 37660 in Sullivan County.

The funding is designated to address various safety concerns – realignment of SR-93 to improve sight distance, providing two 12-foot lanes and 6-foot shoulders.

The project is an appropriate use of taxpayer dollars because it will provide safer transport to motorists along this stretch of SR-93.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Diana Harshbarger".
